

B2800/30 CM2

Professional single-stage belt driven compressor, suitable for craftsmen and small industries.

\*Image is for illustrative purposes only 

A single-stage belt driven compressor designed for heavy-duty use, it features a highly efficient operation pumping unit, cast iron cylinders for long life and a robust belt cover protecting moving parts. Easy to use thanks to its simple controls. The compact 30-litre tank, large wheels and convenient handle make transport easy.
