

B2800B/3CM/100 TECH PRO

Professional single-stage belt driven compressor, suitable for craftsmen and small industries.

Single-stage belt-driven compressor designed for intensive use. It features a high-efficiency pump unit, cast iron cylinders for extended service life, and a patented oversized air intake filter which, combined with a new-generation valve plate assembly, helps reduce noise levels. The sturdy plastic belt guard protects all moving parts. The control panel is integrated into the tank structure for enhanced protection and easy reading. Copilot said. The 100-litre tank, large wheels, double caster wheels with brakes, and convenient full-length handle make transportation easy.

Technical data

Product code		28FA504NUA200
Lubrication		Lubricated
Compressor pump		B2800B
Air receiver (l)		100
Power	HP	3
	kW	2,2
Max. pressure	bar	10
	p.s.i.	145
Sound level (dB(A))		66
Nr. of cylinders		2
Air displacement	l/min.	330
	c.f.m.	11,6
R.P.M.		1570
Voltage / Frequency (Volt / Hz)		230 / 50
Type motor		Electric
Gross weight	kg	70
	lb	154
Packaging dimensions LxWxH (mm)		1030x440x850
EAN code		8016738797565

*Sound pressure level measurement carried out at a distance of 7 metres.
